

DOCKET NUMBER
PROPOSED RULE **PR 20**
(64FR35090)

DOCKETED
12/21/99

338

From: Bruce Arnold <bruce@rrbcpa.com>
To: Chairman Richard Meserve <secy@nrc.gov>
Date: Mon, Dec 20, 1999 1:48 PM
Subject: Proposed Sales of Radioactive Materials

'99 DEC 21 A 7:21

OFF
AD

I cannot express strongly enough my opposition to the proposed rule allowing such sales. There is no real "safe" level of radiation doseage. Why else do I need to wear a lead bid at my dentist or physician's office? Please, please do not allow this rule to be implemented. Thank you. Bruce Arnold, 4154 Rivermeade Dr., Lilburn, GA 30047. 770.717-5858 evenings. 404.255.0200 weekdays. E-mail bruce@rrbcpa.com.
