Further to our notice of November 18, 1999 on Swagelok part number SS-400-3-4TTM, we are providing further information. As earlier reported the licensee below was not notified:

Florida Power and Light
P.O. #00029212
5 pcs. SS-400-3-4TTM
Product I.D. R17KL0509B

The reason for the lack of notification was that the certification had not been entered into our database. The associate responsible for entering the certifications is no longer with Swagelok and we have scheduled an audit of our database for the time period from June 1997 through July 1999, as we believe this is the time period that most needs to be scrutinized.

Whether further review of the database is necessary will be determined on the findings of this audit.

Please contact us if you have any questions.
