SUBJECT: ACCEPTANCE REVIEW OF APPLICATION TO AMEND
CERTIFICATE OF COMPLIANCE NO. 1008

Dear Mr. Gutherman:

On November 24, 1999, Holtec International submitted an application to amend Certificate of Compliance No. 1008 for the Model No. HI-STAR100 package. This is to inform you that your application contained the necessary information to begin our review. We are currently evaluating a review schedule for your application. We will inform you of this schedule at a later date.

Your application was accompanied by an affidavit requesting that a portion of the application be withheld from public disclosure pursuant to 10 CFR 2.790. Please note that the Nuclear Regulatory Commission staff is still reviewing your request and has not yet determined whether all or part of the topical report should be withheld. We will inform you of our determination in separate correspondence.

If you have any questions regarding our review, you may contact me at (301) 415-8518 or Ms. Marissa Bailey at (301) 415-8531. Please refer to Docket Number 72-1008 and TAC No. L23009 in future correspondence related to this review.

Sincerely,
