Carol Ann Reed  
FOIA/Privacy Act Officer  
U.S. Nuclear Regulatory Commission  
Mail Stop T-6 D8  
Washington DC 20555-0001

Dear Ms. Reed:

Pursuant to the provisions of the Privacy Act, 5 U.S.C. Sec. 552a and the Freedom of Information Act, 5 U.S.C. Sec. 552, I hereby request that a copy of the following documents:

1. All communications regarding license renewal between the NRC and Georgia Power Company (GPC) and/or the Southern Company
2. All documents concerning any unresolved safety issues, both generic and plant specific, regarding the license renewal of Plant Hatch.
3. All Requests for Addition Information from NRC staff concerning the license renewal of Plant Hatch and GPC's responses.

I request a fee waiver because the information I am requesting will contribute significantly to the public's understanding of the operations of nuclear power plants and is primarily in the public interest. License renewal is still a novel issue and therefore is of great public interest.

As you are aware, the FOIA requires you to release documents in segregable portions in the event they contain exempt material. For any documents or portions that you deny due to specific FOIA exemption, please provide an index itemizing and describing the documents or portions of documents withheld.

I understand I am entitled to make this request under the Freedom of Information Act, and if your agency response is not satisfactory, or if I do not hear a response in the 20 days allowed by law, I am prepared to make an administrative appeal.

If my request is denied or not fully granted, I am also prepared to make an administrative appeal. In future correspondences, please indicate to us the name of the official to whom such an appeal should be addressed. I also know that by law, your agency is required to tell me why my request is denied or not fully granted.

Thank you for your attention in this matter and I hope to hear from you in 20 days.

Respectfully submitted,
