To whom it may concern:

I am writing regarding a by-product materials license number 37-28583 01 held by Washington and Jefferson College for a 10 mCi Cs-137 source. I would like to request that my name be removed from that license. As it is currently written, our license has my name and that of our current Radiation Safety Officer, William G. Spoeri. Please let me know if I should provide you with any additional information. Thank you.

Sincerely,

William S. Sheers, Ph.D.
Associate Professor of Physics
