**RULES & DIR. BRANCH
 US NRC**

Dear mr Dudley,

Please find below our first email. Concerning time aspects we appreciate if it is possible to have a response within 2 weeks if possible. However this is not critical.

Can You also say something about the high lights of the public comments and a few words about next step for the draft document ? Best regards

Richard Olsson

 > Ämne: Draft Final Technical Study SFP Risks at Decom NPPs
 > > Dear Mr Dudley,
 > > First of all we would like to express our sincere appreciation of the
 > extensive draft study. It will be used as basis for our national study on
 > emergency planning for decommissioning NPPs. We are currently working
 > intensively in order to have a report ready by the end of April and the
 > NRC draft report has really been a valuable contribution to our work.
 > > Moreover we are very grateful for Your kind response to our fax of
 > February 25th, where we propose a liaison with the small group working
 > with this in Sweden. > > In Sweden a group of SKI consultants has scrutinized Your report, from the
 > emergency preparedness point of view, and confirmed SKIs initially very
 > positive impressions of the quality and usefulness of Your draft report.
 > > We had a meeting with the consultant group yesterday and listed our brief
 > and informal comments to Your report. In attached list we have a few
 > questions and furthermore some references listed.
 > > We would be very grateful if You could oblige us with a response to the
 > questions and if it would be possible to obtain the references listed
 > (preferably by email, considering the time pressure we have).
 > > Your co-operation on this issue would be highly appreciated.
 > > > Best regards
