REFERENCE: Letter dated March 3, 1995, from John D. Randall to Budhi Sagar

Dear Dr. Randall:

The purpose of this letter is to transmit revised copies of Intermediate Milestone 20-5704-125-050 "Expert-Panel Review of CNWRA Volcanism Research Programs." This IM was requested as part of Task 3 activities, Critical Review of Compiled Volcanic and Tectonic Data for the Basin and Range Province, of the Volcanic Systems of the Basin and Range Research Project. Revisions to this report consist of clarification of the need for NRC staff concurrence before any actions on the review-panel recommendations (see reference). These additions have been made on pages 1-3 and 3-6.

Sincerely,

Budhi Sagar
