3 This is an issue that concerns not only
4 the whole nation but the entire world
5 for thousands and thousands of years.

6 THEREFORE THE ENTIRE WORLD SHOULD BE
7 EXTREMELY OFFENDED BY THE COMMENT
8 MADE BY DR. SUSAN F. SANKMAN (U.S. REGULATORY COMMISSION)
9 "WE HAVE BEEN HERE LISTENING TO COMMENTS
10 FOR TEN HOURS."

11 THIS COMMENT WAS GIVEN IN RESPONSE
12 TO NUMEROUS REAS BY CONCERNED CITIZENS,
13 WHOM SUPPORT A JANE OF NO ACTION, TO
14 EXTEND: THE NUMBER OF PUBLIC HEARINGS AND
15 THE DEADLINE TO SUBMIT COMMENTS ON THE SUBJECT.
16 HUMAN BEINGS HAVE BEEN ON THIS EARTH FOR
17 ONLY A MERE FRACTION OF THE SPAN OF THE LIFE
18 OF THE PLANET. TEN HOURS OF THE NRC'S
19 TIME IS AN EVEN SMALLER FRACTION OF TIME
20 COMPARED TO THE HUNDREDS OF THOUSANDS OF
21 YEARS AT RISK WITH THIS ISSUE.

22 THE TRANSPORTATION OF THIS WASTE COULD
23 VERY POSSIBLY LIMIT THE LIVES OF EVERYONE WITHIN
24 PROXIMITY TO THE RAILS TO A FRACTION OF
25 A SECOND.

26 IF THE PROPOSAL IS PASSED, DRASTIC ADMOS
27 CONTINUED STRATEGIC MEASURES WILL BE TAKEN
28 TO PREVENT ANY TRAIN.
