Subject: Comments on NRC Operator Licensing

Below is the result of your feedback form. It was submitted by
Carl Dworkin (cgdworkin@att.net) on Wednesday, October 4, 2000 at 10:33:04

Comments: I am interested in reading the generic environmental impact statement regarding the extension of plant licenses beyond the previously determined shutdown and decommissioning dates. Could you send one to me, please. If you cannot send one, can you tell me the closest location at which I can find one. Thank you.
