SECRETARY OF THE TREASURY

November 8, 2000

The Honorable Richard A. Meserve
Chairman
Nuclear Regulatory Commission
One White Flint North Building
11555 Rockville Pike, Room 17D1
Rockville, MD 20852

Dear Mr. Meserve:

For the second consecutive year, the Department of the Treasury will serve as the lead Agency in the 2001 U.S. Savings Bonds Campaign. I am pleased to accept this assignment because Savings Bonds play an important role in supporting our objectives of increasing the savings rate in America and lowering the cost of the public debt to taxpayers.

As government executives, we all share an obligation to encourage employees of Departments and Agencies to prepare for their financial futures. With your help, the 2001 Savings Bonds Campaign will educate Federal employees at all income levels about the importance of saving, and provide them with a vehicle to increase their personal savings.

To prepare for this year's campaign, please appoint a top career executive from your staff to serve as the Vice Chair for your agency who will provide direction in all campaign matters. Your Vice Chair should appoint a Campaign Manager to plan and conduct campaign activities. Please forward the names of these individuals to the U.S. Savings Bonds Marketing Office on the enclosed Campaign Executives' Information Sheet by November 22, 2000. After the first of the year, representatives from the U.S. Savings Bonds Program will meet with your designees to discuss the details of the campaign.

Thank you in advance for your support of the 2001 Federal Savings Bonds Campaign, and for ensuring that every Federal employee has sufficient information about U.S. Savings Bonds to make an informed decision.

Sincerely,

Lawrence H. Summers
