65 FR 44843
July 19 2000

Below is the result of your feedback form. It was submitted by
Brian Clarke (bclrk@idirect.com) on Monday, October 23, 2000 at 19:30:24

StreetNumber: 1 Rowntree Rd

StreetName: Apt 409

Comments: The idea of releasing soil contaminated with low level radio active waste into the environment is just the type of totally screwball idea I would expect to come from the Nuclear Power industry. Who put you up to this? It wouldn't be the multinational big business drug companies/cancer industry by any chance.
