Subject: meeting request mistakenly sent to FENOC

Importance: High

Cliff:

   In preparation for an internal NRC staff meeting today I inadvertently sent you information that wasn't intended to be sent to FENOC. I mistakenly added the information for today's NRC internal staff meeting to the staff planned conference call with FENOC tomorrow, that was a mistake. The information in that e-mail (meeting request) was intended for NRC staff use only during the staff's meeting today. I already updated the information for our the teleconference tomorrow with FENOC by deleting the information I mistakenly added. Please disregard and do not forward the request with the internal staff information.
