I'd like SPB and HEB staff to do the briefings (vs OPA). Thanks.

BTW the Communications Council is lead by Mindy Landau in the EDO's office and has membership from the offices across the agency. They discuss communication strategies across NRC to facilitate information sharing. Here is their website: [http://www.internal.nrc.gov/communications/comm\\_tools/council-news.html](http://www.internal.nrc.gov/communications/comm_tools/council-news.html)

Folks:

Kathy thinks that the May meeting should work for SOARCA. So if any of you plan to attend/do the briefing, please block off your calendar for May 19, 10am, and come to room O17B4.

I've let Lance know to put this topic on the schedule.

Thanks,

Amy

Scott - Please chat with Amy regarding any insights into the charter/role of the Communication Council so you can share with the rest of us. It might also be worthwhile to chat with Scott Burnell about this since it looks like he initiated the idea. It could be an opportunity to followup on Dorothy's advice that we get Lance Rakovan/Susan Bagely involved with our preparation for public involvement in SOARCA.

The next meeting is on May 19 (a Wed) at 10am.

Does that work for you?

Thanks,

Amy

Yes we certainly can support it. Jimi and Stephanie will work with you on scheduling.

Good afternoon:

We got a request from OPA through OEDO to brief the Communications Council about the cancer study and SOARCA.

Are we interested/can we support it?

I'm also trying to set up an OPA/RES Periodic next month.

Thanks,

Amy

Lance,

Scott thought maybe a little update on SOARCA and the Cancer Study (both RES items that OPA could help brief) for the CC at the next meeting might be a good idea.
