Subject: RE: HQ Staff visit to North Anna
Date: Wednesday, August 24, 2011 12:35:17 PM

The two people from headquarters going to North Anna are

Yong Li – seismologist
George Thomas – structural engineer

From: Ninh, Son

Subject: HQ Staff visit to North Anna

George,

Would you please e-mail the name of individuals that plan to visit the North Anna to me? The licensee has asked us how many people will be at North Anna, name of the individuals and when they will be at North Anna.

Thanks for the help and support. Son Ninh, Senior Project Engineer
