Subject: Hi lights from AIT debrief

AIT members to work from their home offices next week. AIT to exit from site late tomorrow afternoon. May not be a debrief tomorrow. If anything's newsworthy, RII plans to email Patrick about mid-day tomorrow.

Licensee doesn't expect to get final results of its 3rd party evaluations of whether SSE was exceeded before 9/09/11.

Licensee's plans for restart not available to AIT yet.

See you Tuesday.
