**Subject:** Meeting w Dominion/North Anna

On Friday, Sept 2, Dominion/Gary Miller left a message on my phone that they would like to set up a meeting with us to discuss what they are doing in response to the seismic event. That's all I have at this time. This is just to let you know that, as of Tuesday morning, we will be communicating on that.

If they want to meet with us soon, should we enforce the 10 day publication-of-meeting-notice-before-meeting criterion?
