Ron - Attached please find a pdf which includes a cover letter, responses to NRC revisions to the Crow Butte Draft License, redline/strikeout page changes. This is the first part of two sized below the 10mb limit. A clean copy of the page changes will follow in another email. The quality of the pdfs is not particularly good, but a printed copy will arrive by mail in several days. Although the pdf may allow you to begin review, I would suggest the printed version be used for entry into ADAMs.

Thanks very much. .john
