Subject: Arraiza Radiology PSC License Renewal

License No. 52-19550-01
Docket No. 030-17865
Control No. 576445

This is regarding your response to questions for your NRC license. We received a response with an electronic signature. Please re-submit your response with a hand-written signature. In addition, we noted that the question regarding ownership of the facilities that you utilize was not fully answered. It appears that your licensed activities may be conducted in facilities owned by Arecibo Medical Center. Please clarify the ownership of the building and if owned by an entity other than Arraiza Radiology PSC, please provide documentation of a clear agreement from the owner's management (e.g.) Arecibo Medical Center to Arraiza Radiology PSC concerning: (a) your sole access to your location of use, and; (b) access to your location of use for the purpose of decontamination or removal of licensed material from the location of use in the event of disharmony between you and the owner entity. This documentation should consist of signed certification from both parties. In addition, please confirm that your location of use, listed in Item 3 of your application, is not a location of use for any other active NRC license.

You may fax your response to my attention to 610-337-5269. Please reference the Mail Control No. 576445 in your response. Sincerely,

Penny Lanzisera
