Re: NFS Corrective Action Program Gap Analysis

Dear John,

An assessment of the NFS Corrective Action Program was performed on February 7 to 10, 2011. The attached report formally documents the results of the assessment as discussed with your leadership team on February 10.

The report includes an executive summary and the details on the observations and some path forward recommendations.

I really appreciate the professionalism, support and responsiveness for all your team at NFS. Please let me know if there are areas of this report that require additional discussion or clarification.

Sincerely/

A handwritten signature in black ink that reads "Norm Barker". The signature is fluid and cursive, with the first name "Norm" and last name "Barker" clearly distinguishable.
