In the Matter of
EXELON NUCLEAR TEXAS HOLDINGS, LLC
(Victoria County Station Site)
Docket No. 52-042

Dear Administrative Judges:

Pursuant to the Board's Scheduling Order dated August 10, 2011, the Staff herein provides to the Board and the parties as an enclosure to this letter an index identifying additions to the Hearing File, as required to be disclosed by the Staff in accordance with 10 C.F.R. § 2.336(d). The index contains the ADAMS accession number, date, and title of each enumerated document so as to make each document readily retrievable from the agency's website, www.nrc.gov, using the ADAMS "Find" function. Additionally, the Staff will add the indexed documents to the folder in the agency's Electronic Hearing Docket ("EHD") associated with this proceeding, entitled "Victoria Stn Hearing File." Also attached, as required by 10 C.F.R. § 2.336(c), is the Affidavit of Michael Eudy.

In accordance with the Licensing Board's August 10, 2011 Order, relieving all parties from the obligation of producing privilege logs, as otherwise required by 10 C.F.R. §§ 2.336(a)(3) and 2.336(b)(5), the Staff is not producing privilege logs at this time. However, in accordance with the August 10 Order, the Staff shall produce a log of documents withheld as containing proprietary, security-related, or safeguards information. In preparing the enclosed Hearing File Index update, the Staff has not identified any document for inclusion on the log of documents withheld as containing proprietary, security-related, or safeguards information. As directed by the Licensing Board, the Staff shall preserve and maintain all privileged documents during the pendency of this proceeding.

Respectfully submitted,
