Dear ASLB and parties,

This is to notify you that on February 13, 2012, the Intervenor submitted to the ASLB a set of proposed questions to be asked at the upcoming hearing on Contentions 9, 10, and 11. As previously instructed by the ASLB, the questions were served on the Board only. Because they may contain SUNSI, they were also served in conformance with the ASLB's protective order in this case. A copy of the certificate of service is attached.

Sincerely,
Diane Curran
