RE: NRC License Amendment Application

To Whom It May Concern:

Please be aware that the Muskegon County Road Commission is applying for an amendment to our license. Our recent Radiation Safety Officer is no longer an employee at the Muskegon County Road Commission and therefore we are in the process of selecting a replacement. The gauges are currently being held in storage under the care of another employee, Jared Smith, and will not be used until an RSO is selected and approved by the NRC.

Sincerely,

  
Paul J. Privacky, P.S.  
County Highway Surveyor
