Administrative JPM Outline (11/14/2011)	
Comment	**Resolution**
1 Make sure E-plan classification is different than what was given on last 2 NRC exams (Sep 2011, Aug 2009).	Ok
2 Does JPM include PARs?	Does not. Will review at exam validation.
3 Consider other than nuclear classification – does WC have a toxic gas Abnormal Op Procedure / classification requirement?	Will look at for next exam.
4 Only portion that is Time Critical is the notification portion – is this a 2 part JPM?	Remove Time Critical identification for this JPM. Will remain a one part JPM and rewrite Task Standard failure criteria of 15 minutes.
5 Consider adding narrative to outline submittal.	Ok

Control Room / In-Plant System JPM Outline (11/14/2011)	
Comment	**Resolution**
1 Provide original JPM for all Modified JPMs with Draft exam submittal.	Ok.
2 S7 – not sure what "correct energize" means	Will correct.
3 Consider adding narrative to outline submittal.	Ok.
