Subject: U.S. EPR Design Certification Application RAI No. 519 (6131), FSAR Ch. 9

Attached please find the subject request for additional information (RAI). A draft of the RAI was provided to you on October 15, 2011, and on October 17, 2011, you informed us that the RAI is clear and no further clarification is needed. As a result, no change is made to the draft RAI. The schedule we have established for review of your application assumes technically correct and complete responses within 30 days of receipt of RAIs. For any RAIs that cannot be answered within 30 days, it is expected that a date for receipt of this information will be provided to the staff within the 30 day period so that the staff can assess how this information will impact the published schedule.
