Quynh/Trent,

Attached please find the consolidated answers that NRR has prepared with inputs from Region II. From NRR, we received and coordinated inputs from DE, DLR, DORL, and has been vetted with OPA and Region IV (CA plants for Region IV).

Please advise if NRR front office or OEDO will need any further info/clarification, we'd be glad to support. Thank you again for coordinating with OEDO. We understand that the input will still need to be vetted with OGC and OCA after your receipt.

Thank you both!

Tilda
