Dear Mr. Thompson,

License condition #11 on the Yale University Cyclotron Production License # 06-00183-08 currently lists five individuals who may use, or supervise the use of, produced materials. One of these listed individuals, Yu-Shin Ding, Ph.D, is no longer employed at Yale University and no longer works under this license. Per 10 CFR 30.9 I write to inform you of this change so that license # 06-00183-08 can be updated accordingly.

If you have any questions regarding this matter or need any further information, please feel free to contact me at (203) 737-2140.

Sincerely,

Tammy Stemen
