Dear Mr. Crutchfield:

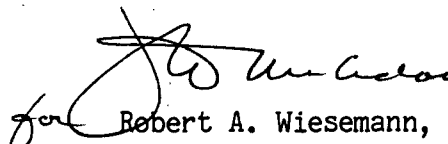

The enclosed proprietary affidavit is submitted in response to your reference letter and to supplement our application for withholding, CAW-83-73, dated September 1, 1983.

The proprietary affidavit identifies the information sought to be withheld from public disclosure and sets forth the basis on which the information may be withheld from public disclosure by the Commission. It addresses with specificity the information suggested in your reference letter to the extent of the considerations listed in 10CFR Section 2.790 (b)(4) of the Commission's regulations.
