ATTN: John S. Kent
Radiation Safety Officer
1100 W. Michigan Street
Indianapolis, IN 46202

Gentlemen:

This is to acknowledge receipt of a letter dated July 26, 1978, from John S. Kent informing us of the incident involving a refrigerator in the Medical Science Building Room 153 containing tissue culture materials and radioactive materials which exploded and caught fire on Friday, July 21, 1978.

We acknowledge the loss of more than one day of the use of the facility and damage to the facility was not due to the radioactive material and/or contamination from such material. We will review this matter during a future inspection.

Your cooperation with us is appreciated.

Sincerely,

A. B. Davis, Chief
Fuel Facility and Materials
Safety Branch
