

## Workshop Information

### **Entry Requirements:**

Attendees should enter on foot through the pedestrian entrance on the right side of the vehicle entrance on Marinelli Rd between Chapman and Citadel Ave. Visitors should follow the path to the entrance to the TWFN Auditorium where they will be screened and receive their visitor badge.

- We recommend arriving about 30 minutes ahead of time in order to allow time for security requirements.
- All visitors are required to show a government-issued photo identification, such as a valid driver's license or passport. (International Visitors must show passport).
- All visitors must undergo personal security screening to include a walk-through metal detector and x-ray machines. We recommend that attendees bring only what they will need for the day for their convenience and to expedite entry.
- All visitors must visibly wear (above the waist) a U.S. Nuclear Regulatory Commission (NRC) temporary issued badge.

For questions on logistics the day of the conference please contact Joe Kanney at 301-415-1920 or Meredith Carr at 301-415-6322.
