

Public Confidence is not an Accident Session: W14

Millstone Lost Public Confidence

- Millstone did not remain shutdown for three years due to major safety issues
- The demise of Millstone was due in part to the loss of Public Confidence in management and the NRC
- How do you know?

Regaining Confidence

- Millstone stakeholders
 - General public
 - Political leaders
 - Media
 - Public interest groups
 - Business leaders
 - NRC/EPA

NRC Stakeholders

- General public
- Media
- Political leaders
- Public interest groups

NRC's Effort

- Public meetings
- High level NRC involvement
- Active public participation

Millstone's Effort

- Meetings with media
- Community breakfasts
- Millstone Advisory Counsel
- Little Harbor Consultants
- NEAC presentations
- Creditable ECP
