Audit and Review Process

- ▶ Continue with front-end loaded process
- ▶ Lessons learned from pilot plants
- ▶ Peer review of audit report by NRC staff
- ▶ Reconciliation of license renewal application from draft to final Generic Aging Lessons Learned (GALL) Report
- ▶ Use updated license renewal guidance documents (LRGDs)
- ▶ Implement self-assessment recommendations on audits
- ▶ Audit questions publicly available

Audit and Review Process

- ▶ Encourage observers from future applicants
- ▶ Expand audit into review of time limited aging analyses
- ▶ Increase NRC staff participation
- ▶ Feedback lessons learned for LRGD improvement
