

# THE 16<sup>th</sup> ANNUAL REGULATORY INFORMATION CONFERENCE

## CONFERENCE CHAIRMAN'S MESSAGE

I am pleased to announce that the 16th Annual Regulatory Information Conference (RIC) will be held on March 10, 11, and 12, 2004, at the Capital Hilton Hotel in Washington, D.C.

For 15 years, the U.S. Nuclear Regulatory Commission's (NRC's) Office of Nuclear Reactor Regulation (NRR) has sponsored the RIC to provide a forum for NRC management, its regulated utilities, and other important stakeholders to meet and communicate directly regarding safety initiatives and regulatory trends.

It is our pleasure to invite you to the 2004 RIC. As always, your participating is necessary to make the conference a success, so we hope that you will join us for this event. The 2004 conference agenda follows.

I look forward to my first year as Chairman of the conference and equally look forward to seeing you there.

J. E. Dyer, Director  
Office of Nuclear Reactor Regulation
