

Adrian Heymer is the Senior Director, New Plant Deployment, at the Nuclear Energy Institute (NEI) in Washington, DC, USA. He is responsible for coordinating the US nuclear industry's generic activities on new nuclear plants. Other responsibilities at NEI have encompassed electricity deregulation, plant performance improvement, risk-informed regulation and industry quality programs. Prior to joining NEI he worked in support of Nebraska Public Power District's Cooper Nuclear Station, Nebraska; at Lloyds Register on technical certifications and inspections; and served in the Royal Navy. Adrian Heymer Senior Director Nuclear Energy Institute 1776 I Street NW, Suite 400 Washington, DC 20006 P: 202-739-8094 F: 202-785-4019 nuclear. clean air energy.
