

MARK R. SHAFFER

Mr. Shaffer is the Deputy Director for Material Security, within NRC's Office of Nuclear Security and Incident Response. Mark joined the NRC in 1991 as a nuclear materials inspector; since that time, he has held various positions within the agency including Senior Health Physicist, State Agreements Officer and Chief of the Nuclear Materials Inspection Branch, within NRC's Region IV Office. Additionally, in 2004 Mr. Shaffer worked for the International Atomic Energy Agency in Vienna, Austria, within the Department of Nuclear Safety and Security. In this capacity, he worked on a number of radiation safety and security infrastructure appraisal missions to Members States.

Prior to joining the NRC, Mr. Shaffer worked as a Radiation Safety Officer for both Medical & Academic Research facilities. He holds a Bachelor of Science Degree in Nuclear Medicine.
