

Michele Evans is the Director, Division of Component Integrity in the Office of Nuclear Reactor Regulation.

Ms. Evans joined the NRC in 1984 as a Reactor Engineer in the agency's Region 1 Office in King of Prussia, Pennsylvania. In 1989, she began a series of Resident and Senior Resident Inspector assignments at Region 1 plants. In 1999, she became a Branch Chief in the Division of Reactor Projects, Region 1. She transferred to the NRC Headquarters office in March 2003, and became Deputy Director, Engineering Research Applications, in the Office of Nuclear Regulatory Research in August 2003. She assumed her current position in NRR in October 2006.

Ms. Evans graduated from the University of Pennsylvania with a B.S. in Chemical Engineering, and obtained an M.B.A. in Quality Science from Drexel University. She is a 2003 graduate of the US NRC's Senior Executive Service Candidate Development Program.
