

Mr. Jim Andersen was assigned to his current position of Branch Chief, Performance Assessment Branch, Office of Nuclear Reactor Regulation (NRR) in August 2003. His responsibilities include the assessment program, performance indicator program, inspector training, and self-assessment areas within the Reactor Oversight Process (ROP). Prior to August 2003, Jim held the positions of Technical Assistant in the Division of Operating Reactor Licensing, NRR; and Project Manager positions in NRR and the Office of Nuclear Material Safety and Safeguards (NMSS). Before joining the Nuclear Regulatory Commission, he served eight years with the U.S. Navy as an officer in the nuclear power program, where he attained certification as an Engineer Officer. Jim graduated from Rutgers University in 1983 with a bachelor of science degree in mechanical engineering.
