

Session Title: Licensing Process Initiatives

Description: The title of the Division of Operating Reactor Licensing (DORL) session is, "Licensing Process Initiatives," and will present a panel discussion made up of DORL, industry and other regulatory representatives. The session will focus on initiatives that are currently being implemented either by NEI or the NRC to enhance the preparation, review and disposition of licensing actions. The panel members will give four brief presentations followed by a question and answer period for each presenter.

Session Chair: Joseph Gitter, NRC/NRR
