

The Next Wave...
Who Is On Deck

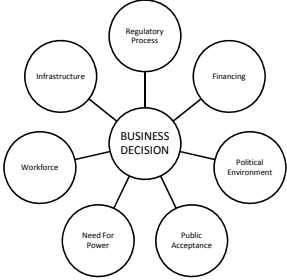

Doug Walters
Senior Director – New Plant Deployment
Nuclear Energy Institute

Will There Be Another Wave?

The Business Decision

Situation Assessment

- 17 Applications; 26 Units
- Part 52 Regulation
- Loan Guarantee Program
- Time To Market Schedule

4

Going Forward

- Stability, Predictability and Efficiency
- Ability to Resolve Key Regulatory Issues
- Quality Submittals
- Disciplined Review
- On Budget and On-Time

5

Who Is On Deck?

If we are successful, on schedule and within budget estimates, 15 – 20 plants could be in operation in 2020 and this could grow to 35 – 45 plants or more by 2030
