

## **Leslie Compton Kass**

Leslie Compton Kass has served as a Senior Project Manager in the New Plant Deployment at NEI since October of 2006 and has over 14 years of experience in the nuclear industry.

From 2004-2006 she served as a consultant to Louisiana Energy Services on financing activities for the National Enrichment Facility. Ms. Kass worked for Entergy Corporation as Manager of Engineering Programs and Components at Arkansas Nuclear One Station and as a Senior Project Manager at their nuclear headquarters in Jackson, MS. She was an engineering consultant prior to her time at Entergy.

Ms. Kass received a bachelor's degree in Materials Science and Engineering from MIT in 1993 and an MBA from Duke University's Fuqua School of Business in 2003.
