

Thomas (Tom) McCallum

**Project Manager, Vogtle Deployment
Southern Nuclear Operating Company**

P. O. Box 1295

**40 Inverness Center Parkway
Birmingham, AL 35201**

Tom McCallum is a Project Engineer in the Nuclear Development Organization at Southern Nuclear Operating Company. In this role he is responsible for site specific engineering and construction planning for Vogtle 3 & 4, and has been closely involved in the development of the Vogtle Early Site Permit and Combined License applications.

Tom has 27 years of experience in the nuclear industry. Before moving into Nuclear Development, he held responsibilities in a variety of technical areas including probabilistic risk assessment, plant support, plant operations and dry fuel storage. He is a 1981 graduate of Mississippi State University, where he received both bachelor's of science and master's degrees in mechanical engineering.
