

Michael Cheok

Michael Cheok is the Deputy Director, Division of Inspection and Regional Support, Office of Nuclear Reactor Regulation (NRR). Previously, Mr. Cheok has served as the Chief, Operating Experience and Generic Issues Branch, Office of Nuclear Regulatory Research (RES); Chief, Performance and Reliability Branch, RES; and Chief, Probabilistic Risk Assessment Branch, RES. Prior to joining the NRC, Mr. Cheok worked for 17 years as a consultant for the nuclear and chemical industries, and as an employee at a nuclear power plant licensee. He received a B.S. degree in Nuclear Engineering and an M.S. degree in Reliability Engineering from the University of Maryland at College Park.
