

Edwin Hackett

On August 25, 2008, Edwin M. Hackett assumed the position of Executive Director for the Advisory Committee on Reactor Safeguards (ACRS). Dr. Hackett earned his Bachelor's Degree at Virginia Tech and his Masters and Doctorate degrees from Johns Hopkins University. He joined the NRC in 1991 as a materials engineer in the Office of Research. In 2003, Dr. Hackett became a member of the Senior Executive Service and was assigned to the Division of Licensing Project Management, Nuclear Reactor Regulation as Project Director, Project Directorate II. Dr. Hackett also held the position of Deputy Director, Division of Spent Fuel Storage, and Transportation in the Office of Nuclear Materials Safety and Safeguards, the position he vacated to assume the ACRS Executive Director position.
