

Andrew Imboden

Andrew Imboden is the Chief of the Environmental Review Branch in the Office of Nuclear Reactor Regulation's (NRR) Division of License Renewal.

Mr. Imboden began his career for the Nuclear Regulatory Commission (NRC) in 2004 and has worked in positions of increasing responsibilities in the Office of Nuclear Material Safety and Safeguards, the Office of Federal and State Materials and Environmental Management Program (FSME), and has performed supervisory roles in FSME and NRR. Prior to joining NRC, Mr. Imboden worked as an environmental engineer at two consulting companies, working on environmental impact statements and compliance issues, both domestically and internationally.

Mr. Imboden received a B.S. degree in Meteorology from Pennsylvania State University, and a Masters degree in Environmental Engineering from Clemson University.
