

Jukka Laaksonen

Jukka Laaksonen is Director General of Radiation and Nuclear Safety Authority (STUK) of Finland since 1997. He has worked in nuclear regulation since 1974, mostly at STUK but also at the US NRC in 1981-82 and at the IAEA in 1987-89.

Jukka Laaksonen has actively participated in international co-operation in the area of nuclear safety and safeguards since 1970's and has held several chairmanships in international organizations. Currently he is Chairman of WENRA, Vice Chairman of INSAG and member of the IAEA's Commission on Safety Standards.
