

## **Edwin Lyman**

Edwin Lyman is a senior staff scientist in the Global Security program at the Union of Concerned Scientists in Washington, DC. Before coming to USC in May 2003, he was president of the Nuclear Control Institute, a Washington-based organization committed to nuclear nonproliferation. He earned a doctorate in physics from Cornell University in 1992. From 1992 to 1995, he was a postdoctoral research associate at Princeton University's Center for Energy and Environmental Studies (now the Science and Global Security Program). His research focuses on the prevention of nuclear proliferation and nuclear terrorism. He has published articles and letters in journals and magazines including *Science*, *The Bulletin of the Atomic Scientists*, *Science and Global Security* and *Arms Control Today*. He is a member of the Institute of Nuclear Materials Management.
