

Lynn Mrowca

Ms. Mrowca has served as a branch chief for probabilistic risk assessment (PRA) licensing, operations support and maintenance at the Nuclear Regulatory Commission (NRC) Office of New Reactors since February 2007.

From December 2005 to February 2007, Ms. Mrowca was a branch chief in PRA licensing at the NRC Office of Nuclear Reactor Regulation, having joined the NRC as a reliability and risk analyst in February 2004. Prior to her employment at the NRC, Ms. (Wojcik) Mrowca served in various engineering and engineering supervisory positions with TU Electric at the Comanche Peak Steam Electric Station from 1982 through 1988.

Ms. Mrowca received her bachelor's degree in nuclear engineering in 1980 and her master's degree in nuclear engineering in 1982, both from Texas A&M University. Ms. Mrowca is a member of the American Nuclear Society.
