

## **Robert Nelson**

Mr. Nelson joined the NRC in 1991 as a Project Manager in the Office of Nuclear Material Safety and Safeguards (NMSS). Since that time, he has served in a number of progressively more responsible assignments, including Section/Branch Chief positions in the Divisions of Waste Management, Fuel Cycle Safety and Safeguards, and Spent Fuel Storage and Transportation, NMSS; and Branch Chief in the Office of Nuclear Security and Incident Response. Prior to joining the NRC, Mr. Nelson served as a Project Manager for Performance Development Corporation and worked for Essex Corporation as a Senior Vice President and President of one of two of its subsidiaries. He is a former submarine officer and a retired Navy Captain. In his spare time, Mr. Nelson serves as the president of a non-profit corporation.

Mr. Nelson received a B.S. degree in Physics from the Pennsylvania State University and a Master of Business Administration degree from George Mason University.
