

Neil O'Keefe

Mr. O'Keefe leads an inspection branch in the NRC's Region IV office, with responsibilities for license renewal, fire protection, power uprates, and electrical engineering. He has worked for the NRC since 1994 as an inspector in Regions III and IV. He has been a resident and senior resident inspector, as well as a team leader for engineering and corrective action teams. Before that, Mr. O'Keefe was a nuclear-trained submarine officer and he is certified as a professional engineer.
