

## **Mark Satorius**

Mr. Satorius joined the NRC in 1989, serving in RIV as an Operator Licensing Examiner, and then as a Reactor Inspector and Senior Project Engineer. In 1994, he transferred to Headquarters as a Senior Enforcement Specialist in the Office of Enforcement (OE); and in 1996, was selected as Deputy Director, OE. In 1999, Mr. Satorius joined the staff of the Executive Director for Operations as a Senior Regional Coordinator, and later served as Chief, Regional Operations and Program Management Staff. In 2001, he served as Chief, Performance Assessment Section, Office of Nuclear Reactor Regulation. In 2003, he was selected for the Senior Executive Service (SES) position of Deputy Director, Division of Reactor Projects, Region IV, and was later promoted to Director, Division of Nuclear Materials Safety, Region IV. In 2004, he was appointed to the position of Director, Division of Reactor Projects, Region III. In July 2007, he was promoted to the position of Deputy Regional Administrator, RIII. On March 1, 2009, he was promoted to his current position as the Regional Administrator, RIII.

Mr. Satorius graduated from the United States Naval Academy with a B.S. degree in Mechanical Engineering and served as a nuclear-trained submarine officer.
