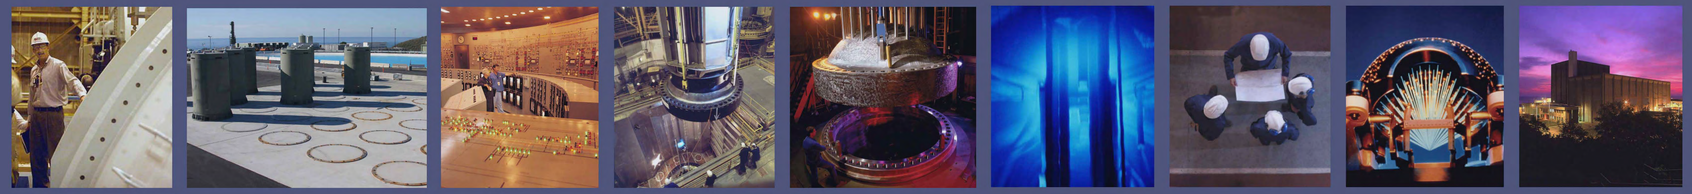
Protecting People and the Environment

RIC 2012



OFFICE OF ADMINISTRATION

Three White Flint North

On-going Constuction

Southwest corner
main entrance

Main lobby

Framing of partition
walls on second floor

Mechanical room on first floor

Exterior construction of building near completion.

The 3WFN building will allow the NRC to consolidate its Headquarters staff at the WFC and will enhance NRC's ability to perform its mission.

The Offices of Nuclear Materials Safety and Safeguards, Nuclear Security and Incident Response, Nuclear Regulatory Research, Chief Financial Officer, Human Resources, portions of Administration and portions of Information Services will move into the 3WFN building. Building occupancy is scheduled for Fall 2012.

Caution: NRC does not use modification code stickers. You must not scan or use a QR code if it appears to be manipulated or modified in any way or appears not to be part of the original printing of the material
